Dolphin's game. Jeusus!code blue! Jesus Christ! Wh0 the fuck was supposed tohim. yelling in bk as follwing ensuemash potato hats dupont; plus Fla woman : I go enoughas little boy at Wake Forest, lissa in arms, special K,most of the players, black, staring at himwith tv monitors etc--we all get distracton our jobsdont make no diff how many I go to it aint gonnasoon it;ll be brignt and green and noisy and then'll be gone--green a la golf course--one side in shadow gorge©©like a tiny golf cart sliding into shadow©©pvyour regular dose of death and insanity andÜj Ü©is there and high! real sucker-on anglo financierand pin into x's tit--knew B stole from him and thoughtjust paying so he didn't have to but then got insight that byron;'d steal on top of lthat. semi admits to shooting. Hey a small timer, and I was a smalland so so fuckin high I didn't know what ime it was or daywhere. I mean I could've shot him or me and wouldn't know thedifference. So--'s the difference? He's happy and I'm happy. Probablychips in a little to his pension . Hey ! he can'tgolf no more butwasn't all that fuckin hot at it anyways. How manygolfersfind in the Farm Store? Jack Nicklaus give you a three-liter?on! Hey Arnold Palmer, how muchthose cookies, hey? heymuch your

cookie huh the one with hair on it? Be nice and you'll get a whole banana from me.'s evil laugh but where from --he thought it was just a laugh but unexpected a fuckin life! I wore out fuckin heart and soul, man! And,, i put guy in a wheelchair. He's fuckin better off. Hey I raped and gurls and men and boys. I sucked dicks in prison to being killed. I shit you not! And now I'm a Republican. That me. I don't claim nothing else. That's fuckin me. you see is what you got.? little fucker changed my life. I got smarter. he rolls around in wheelchair now. what the fuck. as he don't roll over my long, strong cock, hey Ciquita? window and grown men bashing. over this huh?, Hey don't worry, Baby, it's Fuji film! sucking it and you'll see! Liek to see him try turn away and even byron realized he went too far. shame. maudlin and shed croc tears of wheelchair as if mother is watching as E is carried out at a corner of hsi green vision. pin into crowd as if nothing again would give him pleasure. grish makeup lady I go enough what flashes before e's eyes are the prime images of this! Üj ÜTreadway comes off field and coach holds body strangely fearing allusion from Yalie. Nobody knows what the fucks going on out there! knows that anywhere. So what? That's just a starting. You do what you can inside it all. Whatever you

can in the madhouse of that day, that's all. said that? said
that. Those are the best things, the ones that says.

That's why they're true, coach. doctor: who are you, who is
the presents, where are you? last him. I'; I break his fuckin
head. Gorge. In gorge! coming over or ghost of it
somehow.!
